✓ IRA Charitable Rollover

Congress made permanent the law that allows people age 70½ or older who own an IRA to make gifts directly from their IRA to the Seventh-day Adventist Church. For many people, this is the best tax-wise way to give. An IRA rollover gift will not be included in your taxable income and may qualify for your required minimum distribution.

✓ Outright Gift of an Asset

If you wish to make a gift to support the mission of the Seventh-day Adventist Church this year but are concerned about preserving your cash resources, consider a gift of an appreciated asset. A gift of securities, business interests, or real estate can provide you with significant income and capital gains tax savings, often exceeding the benefits of a cash gift.

✓ Donor Advised Fund (DAF)

If you are looking for an end-of-year deduction but want more time to make thoughtful giving decisions, consider a donor advised fund (DAF). Use your tax deductible gift to establish a Adventist Donor Gift Fund in your name. You can make grants from your Adventist Donor Gift Fund now and in the future to support the mission of the Seventh-day Adventist Church and other causes you care about.

✓ Zero-Tax Gift and Sale

If you are planning to sell an asset like securities, real estate or a business, before you sell, consider a “zero-tax” charitable gift and sale. By making a gift of part of the asset before the sale, you can use a tax-saving charitable deduction to significantly lower or eliminate the capital gains tax on the sale.
